

Taiwanese American Professionals of Los Angeles ("TAP-LA") is a chapter of the Taiwanese American Citizens League ("TACL"), which is a 501(c)3 non-profit organization run entirely by volunteers. Our mission is dedicated to enhance and empower the Taiwanese and the Taiwanese American community in the Greater Los Angeles area through networking and professional development, while emphasizing the preservation of the evolving Taiwanese American cultural identity.

TAP-LA is fundraising for the 2020 Census effort. Proceeds will go to TAP-LA programs supporting "write in Taiwanese" census campaign. We want to thank you for supporting the cause, and we want to make this 14th Annual Fundraiser a special appreciation event for you all. The census counts everyone residing in the United States, including non-citizens and international students. The census shapes public policy and funding to our Taiwanese communities.

**We are calling all Taiwanese and Taiwanese Americans to:
Check "Other Asian" and write in "Taiwanese" on the 2020 Census.**
